BEER FLIGHTS

£7.50

Each of our flights contain four different brews for you to try and are designed to take you on a journey through varying styles.

THE BREWERY

All of our current beers from the on-site brewery, created by our Head Brewer, Digger.

INNIS & GUNN

Whether you're unfamiliar with our range or you have been with us from the start, this flight takes you through four of our most popular brews – Lager Beer, Original, IPA and Rum Finish.

OFF-PISTE

Anything goes with this option. Four beers: any style, any origin. Ask for recommendations or allow our bartenders to pick for you.
