A BEER FOR LIFE'S TRUE ORIGINALS

INNIS & GUNN was born in a spark of originality, fuelled by the desire to walk a new path, to move beyond the everyday to something different, better, truly original.

Our attitude is simple, it shapes everything we do and all that we are. We are all about the complete freedom to see the world differently, to think and act with innate originality.

TO BE WHO WE REALLY ARE.

We believe the world is a better place when people can just be themselves. Their own authentic, imperfect, brilliant selves, in spite of self-doubt, not driven by a need to follow the trends and fashions that come and go.

TO BE AN ORIGINAL.

Our mission is to fuel a global movement of originality, creativity, passion, and purpose, through the beers we make, in the way we make them, and in the ways we celebrate the originality of others.

If you live your life honestly, happily, respectfully, imperfectly, and above all by just being you, then join us.
